

## Scientific Programme

The GRA 2<sup>nd</sup> International Congress will address the latest advances in the areas of clinical diagnosis and management of the respiratory medicine and includes 19 sessions, among them:

- School Seminar Endorsed by the ERS
- FEMTOS Symposium
- 7 Symposia
- 5 Oral Presentations Sessions
- 1 Round Table
- 4 Evening Symposia organized by industry
- 4 Posgraduate Courses

The scientific meetings will run on Friday, 11 June and Saturday, 12 June, at 09:00. The Final Programme will publish in April 2010 and distributed on site in the Congress bags.
